OBJECTIVE

I have been designing and creating websites for over 2 years. I have experience designing and writing websites mainly in ReactJS, and have a creative mind. If you want to boost your business with a great React website, then let's talk!

I'm looking to join an inclusive company which doesn't discriminate peoples based on their race / gender / culture as a freelancer / salaryman!

My English proficiency includes good communication skills in both listening and speaking, and the ability to read and write documents in English.

Additionally, I am proficient in using project management tools such as Git, IDEs such as Visual Studio Code, and various tools such as Photoshop or Figma.

EDUCATION

09/2017 - 4/2023

FPT UNIVERSITY - HOA LAC | Software Engineering Major Bachelor's degree certificates. GPA: 6,94

WORK EXPERIENCES

04/2023 - 09/2024

WORKING AT FPT FIS (1+ YEAR) | Fresher / Employee

- I gained valuable experience collaborating and contributing effectively as part of a team, working on both front-end and back-end tasks.
- I honed my skill in React.js development and experienced in utilizing various other front-end tools, backed by practical work experience in a professional setting.

04/2022 - 07/2022

3 MONTHS OF FRESHER AT CMC GLOBAL | Fresher

- During this job, I became familiar with corporate procedures and completed online courses to enhance my skills.
- Additionally, I gained valuable insight into teamwork and developed the ability to effectively contribute as a member of a team. I also involved with a project to enhance my ReactJS / NextJS skill.

01/2020 - 07/2022

3 MONTHS OF INTERNSHIP AT FSOFT | Intern

- I had the opportunity to immerse myself in various office tasks and environments, allowing me to gain valuable work experience, learn about work ethics and responsibilities.
- I also had the chance to work with tools like Git and utilize popular Integrated Development Environments (IDEs) such as NetBeans, VSCode, and PyCharm, which provided me with valuable hands-on experience.
